Toilett paper once a week.  
Onsdag var dorull - dagen.  
Vaktmesteren holdt kontoret  
oppe en time på  
ettermiddagen for å dele ut  
ukas dorull. Toalettpapiret var  
inkludert i husleia, med en rull  
pr. familie pr. uke. Store familier  
som trengte mer papir måtte  
betale ekstra.
